teddysphotos Mac & Cheese

A screenshot of the ArcMap software interface. The background is a map with a blue grid overlay. On the left is the ArcToolbox menu, and on the right is the Layer Properties dialog box. The dialog box is open to the 'Labels' tab, showing options for labeling features. The text 'GO HOME ARCMAP' is overlaid in large, bold, white letters with a black outline at the top of the image.

**GO HOME ARCMAP**

**YOU ARE DRUNK**
