Date 7/10/97 Board of Health [Signature]

The first part of the paper  
 is devoted to a general  
 introduction of the  
 subject. The second part  
 contains a detailed  
 description of the  
 experimental apparatus  
 used. The third part  
 describes the results  
 obtained and the  
 conclusions drawn from  
 them. The fourth part  
 discusses the theoretical  
 aspects of the problem  
 and compares the  
 experimental results  
 with the theoretical  
 predictions. The fifth  
 part contains a  
 summary of the work  
 done and a list of  
 references.
