Dear Karl,

It is my understanding that while I was on vacation, you arranged for Roger Bonsall to make a site visit to inspect a septic tank located at 32 Hulst Road in Amherst. This home belongs to Peter and Valerie Veneman. It is also my understanding that the new tank was covered before an inspection was made by Mr. Bonsall. I will not allow this procedure. Therefore, you must dig up the pipes (out of house, inlet and outlet), so we can inspect. If you have any questions regarding this matter please feel free to contact me.

Sincerely,
