Dear Mr. Connors:

This is a follow-up to my telephone call on November 4, 1988, regarding Permit 87-21 Lot 148 Teaberry Lane. Our records indicate that the \$90.00 fee was not paid for this permit. You indicated that you would look into it and get back to me. As of this date, I have not heard from you. This application for a Disposal Works Construction Permit was received in our office on September 16, 1987.

Until this is straightened out, there will be no more permits accepted.

Sincerely,

Lorraine Taylor
Secretary
